## **Pick-Up Policy**

The hours of operation at Montessori Children's Centre are 7:00 a.m. to 5:00 p.m., Monday through Friday.

For any child that is picked up later than 5:00 p.m., there will be a charge of \$1 per minute. Two staff members are always present, therefore payment is payable upon arrival to the teachers that stay after 5:00 pm to care for your child.

If a parent or guardian does not pick their child up by 5:00 pm and has not contacted MCC, staff will attempt to contact parents/guardians at all numbers listed on our contacts. If parents cannot be reached after trying those numbers, staff will begin calling emergency contacts.

If, after one hour, we are unable to make contact with parents/guardians or emergency contacts, we will notify the police so they may assist in finding parents or emergency contacts.

It is extremely important that you keep all of your contacts and emergency contacts up-to-date with MCC so that we will be able to contact you or someone else in the event that you can't be reached.

In the event that a parent/guardian is late, we will provide the same level of care for your child and will not make the child feel responsible in any way for the situation. Discussion of this situation will only be with the parent/guardian and never with your child.

## **Tuition Payment Policies**

As stated in our Parent Packet: Montessori Children's Centre offers a full-day, year-round program with 5-day, 3-day or 2-day options for three, four, and five-year-olds. Tuition is broken down into a weekly rate for our all day program. Please check with the director for current tuition rates. MCC will assess a \$50 materials and technology fee annually every October.

Annual tuition may be paid weekly, bi-weekly, monthly, or by the semester. Tuition payments may be made via 1Core, Montessori's online tuition payment system, which is withdrawn from your checking/savings account or credit card (a 2.5% fee is applied for credit card payments). Tuition may also be paid via cash, checks, or through your bank's on-line payment options. Payments of tuition over two weeks in arrears will be assessed \$10 per week. A fee of \$20 will be charged for bank returned checks, and a \$10 fee will be charged for declined or failed ACH/Credit Card transactions.

Because the programs at MCC are year-round, tuition is not credited for days missed by your child. Should you choose to take a vacation, it is your responsibility to continue tuition payments to MCC. Whether the vacation is a few days or a few weeks, our policy remains. If an extended vacation is to be taken, resulting in 4 weeks or more of absences, and you are unable to pay weekly with TAP (Tuition Auto Pay) or TPD (Tuition Pay Direct), we ask that you pay ½ of the tuition (for the missed weeks) prior to leaving. The remaining balance (the second ½) is due upon your return.

We thank you for understanding and complying with our policies and procedures. If you have any questions, please do not hesitate to contact Rachel Broach (309-530-6777), Executive Director or Stacy Hanks, Director.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

I understand that if my child has to miss school due to illness, the Montessori Children's Centre's tuition will not be refunded and will be charged as normal. I also understand that if the Montessori Children's Centre is mandated by DCFS, the State of Illinois, or the Health Department, to quarantine students/close or partially close a classroom for any reason, tuition will not be refunded and will be charged as normal.

## **Guidance and Discipline Policy**

MCC will administer all discipline in a loving, consistent, fair, and positive manner. Parents will be notified of serious discipline problems immediately. However, even minor problems can be solved through communication and consistency between school and home. This communication serves as a valuable tool to enable both teachers and parents to have similar expectations in the guidance and discipline of their child.

The Montessori Children's Centre uses a discipline program called "Conscious Discipline" developed by Dr. Becky Bailey. No use of physical punishment is ever used. This loving discipline compliments our Montessori philosophy by allowing children to acknowledge their emotions by giving them helpful tools to handle their feelings in an appropriate manner. It is a comprehensive social and emotional intelligence classroom management program that empowers both students and teachers. We also give our parents monthly information to allow them to learn the same methods and techniques we use at school. We feel that it is important for both parents and teachers to work together, providing consistency as a team, to help the children. We hope this will be a positive tool to benefit children both at school and at home.

In the case of extreme disciplinary problems, MCC will make every attempt to work together with parents to establish specific ground rules and expectations for the future. However, if this behavior support does not meet the child's individual needs, both staff and parents should reevaluate the benefits of the child staying in our program. If it is determined that a different setting would better meet the child's needs, we will work with the family on a plan to transition their child out of our school.

I/We read, understand, and MCC's policy on guidance and discipline:

## Personalized Birthday Story

On each child's birthday, we have a special ceremony to celebrate his or her life. We place a sun in the center of the red line, and the birthday child holds the earth in his or her hands and walks around the sun as many times as the earth has revolved around the sun in his or her lifetime. For example, if Jon is turning five, he revolves around the sun five times. As the child is walking, the teacher is telling the class about what he or she was doing each year of his life. The children have had lessons on this and know the earth rotates on its axis every day and the earth revolves around the sun one time each year.

We like to have input from the parents on the highlights of your child's life. Some ideas of things to list are: learning to walk, learning to ride a bike, going on a special vacation, starting school at Montessori, and any other special milestones in your child's life. **If bringing a snack to celebrate your child's birthday, please remember our DCFS-mandated policy of no home-baked food and peanut products.** Thank you!
